Helpful Hints

1. Run Sunbeam Demineralizing solution (or white vinegar through output) coffee makers once a quarter, to maintain coffee maker in top working condition, free from mineral deposits. This will extend the life of your brewer.
2. Check reset button on wall outlet if coffee maker fails to heat.
3. Stainless steel carafe is best cleaned with soap and water and a sponge.

Replacement Parts

100000-000-000	Brew basket
15004-000-000	Sunbeam Demineralizer & Cleaning solution
