### → A PERFECT COMPANION TO COFFEE MAKERS

Our 4-Slice Toaster boasts many outstanding attributes, such as extra-wide slots with centering bread guides for more even toasting. And if one guest wants toasted bagels and the other an English muffin, there are separate toast controls so there's no waiting. The extra long cord makes it convenient to place anywhere and the pull out crumb tray simplifies clean-up. Pair this with our coffeemaker and start them off right.

### → DID YOU KNOW?

To stop toasting, just press the cancel button. The toaster will stop and the toast will pop-up automatically.
